# SMARTUSA2020 - About Us

## **SMART Community Exchange (SCE) is a Public Private Partnership (P3)**

We have a U.S. Leadership Team, International Advisory Board, 2000+ members in our international development community

- We raise SMART awareness, gather and exchange information, and provide access to resources
- We promote SMART safety, security, trade, investment, education, technology, and knowledge
- We connect SMART community, business, government, education, and non-profit leaders worldwide
- We deliver SMART training through a powerful SMART Education Exchange cloud-based learning platform
- We support and manage SMART community partner projects and pilots
- We reach SMART partners in 14 countries

## **The SMART USA 2020 Program is made available to:**

- U.S. Communities, Academia, Government and Non-Government Agencies, Trade Organizations, Enterprises
-
